

## RISK MANAGER MEDICAL DEVICES (F/M/D) IN POTSDAM

B. Braun Miethke GmbH & Co. KG, based in Potsdam, is a joint venture between Aesculap AG - a subsidiary of the medical technology and pharmaceuticals manufacturer B. Braun Melsungen AG - and Christoph Miethke - founder and CEO of Christoph Miethke GmbH & Co. KG in Potsdam.

We work passionately on the development of innovative drug delivery products with the aim of fulfilling previously unmet or barely met requirements of users and patients.

**We are looking for you as a Risk Manager Medical Devices to drive forward the development and approval of our highly innovative medical products.**

Would you like to work with us and inspire us with your commitment and passion? Help us to improve the quality of life of patients.

### TASKS AND RESPONSIBILITIES

- Maintenance and further development of the risk management file as per ISO 14971 for medical devices.
- Continuous risk assessment based on data from the product life cycle.
- Coordination of the FMEA team for the design FMEA (dFMEA) and documenting the results.
- Coordination of the FMEA team for the production process FMEA (pFMEA) and documenting the results.
- Development of Safety Case documentation as required by US Standard AAMI TIR38-2019.

### EXPERTISE

- Master/Bachelor in Engineering (electronic/mechanical).
- Three years of experience in actively working on risk management activities for medical devices in accordance with ISO14971 or in moderating and documentation of FMEAs.
- Experience in regulated industries like medical devices.
- Experience in the development of safety case documentation as per AAMI TIR38-2019 would be a plus.

### OUR OFFER

- We offer you the opportunity to get actively involved and play a key role in shaping our product.
- You will work in a friendly and international team in a young company, supported by the strengths and expertise of two large companies.

### BENEFITS

- Prospective permanent position in the attractive state capital of Potsdam which is in close proximity to Berlin.
- Flexible working time.
- Opportunity to gain additional qualifications and advance your career through job related training events.

### PERSONAL COMPETENCES

- Desire to work in a creative and committed team.
- Independent, systematic and structured way of working.
- Attention to detail and excellent documentation skills.
- Excellent communication skills.
- Good knowledge of English and German (verbal and written).
